2023 LONG COURSE TRANSITION MEET

thank you

TTASC thanks all those in attendance for your support of our 2023 LC Transition Meet.

A special thank you to all those involved in the organisation and preparations, and to those volunteering over the weekend. Without the time and effort of Volunteers this meet would not be possible. We also thank our Club Coaches for your enthusiastic support and tireless efforts year round.

We are immensely grateful to our 2022/2023 Season Sponsors: Luc, Lynda and the Strand Swim School team, Townsville Neurosciences, Seoul Mart, Narellan Pools, Townsville Tourist & Lifestyle Village, Geochemical Scientific, and Carpet Call Floor Centre. Without the support of our incredibly generous past and present sponsors, our club wouldn't continue to thrive as it does in its 100th year.

We wish all swimmers the best of luck, and hope everyone has a fantastic time.

TTASC Committee, Members, & Coaches

1923 - 2023 celebrating 100 years

TOWNSVILLE TOURIST AMATEUR SWIMMING CLUB
IS VERY PROUD TO BE CELEBRATING OUR CENTENARY IN 2023.

Formed in September 1923, TTASC was the answer to the need for a summer fitness program of a minor football team called the Empire Tourist Club. Since then, TTASC has been proudly based at Tobruk Memorial Baths on The Strand, hosting Olympic and International Swimmers, holding Meets alongside clubs throughout the North Queensland region, and supporting countless Townsville swimmers achieve their swimming goals.

As part of our celebrations, we have developed a centenary logo, based on the emblem used by the club in the 1960's/70's with elements from the 1923 original. This logo features on our heritage range of team wear and our special edition Centenary Celebration Medals, to be used at our two meets held in 2023.

Babies and Levels 1-4

Our Learn to Swim program begins at as little as 4 months old, in our babies classes. These are designed to introduce your child to the water safely and in a fun environment.

Our levels 1-4 cater for all ages based on swimming ability, and span from coming up for a breath through to swimming 25m freestyle, backstroke and breaststroke.

Levels 5-8

These levels are where you can really start to see all the hard work paying off. You could say that these are the stepping stones to building a strong and more competitive swimmer.

With the help of our coaches we will work on refining your child's technique, fitness levels, club swimming and also for fun and general health.
