# 2023 Presidents Welcome

The SNQ management committee welcomes you to the

## **71<sup>st</sup> North Queensland Championships.**

This season has been one full of excitement and surprises for us all in our NQ swimming world within the region.

This season again kicked off last June with winter swim meets and swimmers again braving the cooler conditions to get a head start for the season. From there each meet this season exploded with very impressive attendance numbers. Then we added development camps and our Duel in the Pool that is now an annual event, was planned with swimmers and coaches coming together.

It is heartwarming to see so many swimmers from around the region here this weekend in Townsville. This weekend's swimming numbers are again an impressive number of North Queensland swimmers coming together to compete at the Championships. I wish you all the success you deserve for the training and effort you put in each and every week.

To the swim parents who get you to training every morning and afternoon a huge shout out, to the coaches who train you, put you through your paces and lead you on the path to your dream, we thank you for your effort.

To our Technical officials and volunteers who each year donate their time so that our swimmers are able to compete, we express our gratitude.

To any and all who have donated time to these championships and to my management committee without you these championships would not be able to proceed, so a big thank you to you all.

**Whether you win or lose, you should always be gracious.**

Good luck to all, and safe travels home.

Theresa Manning  
President  
Swimming North Queensland
