7.	General Business	<p><u>7.1 Complaint arising from Cannonvale meeting.</u> This was deemed as not being a SNQ Technical issue and should be referred back to SNQ management. Should an official be approached at a meet the issue should be directed to the Meet director.</p> <p><u>7.2 Agenda items for Executive Planning Day</u></p> <ul style="list-style-type: none"> ○ Spacing of meets within the region. At the AGM when clubs submit proposed dates for meets, we should try to ensure that meets don't run on consecutive weekends. ○ The final qualifying meet before state titles in December. We should encourage this meet to be held in one of the competition pools (i.e. Mackay or Long Tan). This would give our swimmers the best chance of qualifying. If no Townsville or Mackay Club want to run the meet, would SNQ consider running it? Bowen is usually last chance qualifying, but this is not the best pool for this meet. ○ Using e-mails over the on-line nominating system. <p>These items were discussed and will be brought up at the Executive planning day in February</p>	CLOSED
