# 2024 Presidents Welcome

The SNQ management committee welcomes you to the  
72nd North Qld Championships.

This season has definitely been an exciting one for us all in our swimming world within the region.

With our continued extended season that kicked off last June with winter swim meets and swimmers braving the cooler conditions to get a head start for the season. From there each meet this season exploded with very impressive attendance numbers. Adding to that mix we had our development clinics throughout the swim calendar that swimmers attended and hopefully took away from those clinics at least one thing that they didn't know about swimming.

It is heartwarming to see so many swimmers from around the region here this weekend in Mackay as they come together to compete at the championships.

We are also excited to introduce a new format to the weekend starting with "Relay Day" on Friday and then onto the individual events on Saturday and Sunday where we are bringing back heats & finals just for the 50m & 100m events.

I wish you all the success you deserve for all the training and effort you put in each and every week.

To the swim parents who get you to training every morning and afternoon a huge shout out, to the coaches who train you, put you through your paces and lead you on the path to your dreams, we thank you for your effort.

To our Technical officials and volunteers who each year donate their time so that our swimmers are able to compete, we express our gratitude.

To any and all who have donated time to these championships and to my management committee without you these championships would not be able to proceed, so a big thank you to you all.

**Whether you win or lose, you should always be gracious.**

Good luck to all, and safe travels home.
